SBM Bank (Mauritius) Ltd adheres to the Foreign Exchange Global Code (FX Global Code)

The FX Global Code is a set of global principles of good practice in the foreign exchange (“FX”) market and has been developed to provide a common set of guidelines to promote the integrity and effective functioning of the wholesale FX market. These principles have been prepared by a group of market participants as defined by the FX Global Code and central banks across 16 jurisdictions along with representatives of the FX market operating in various regions of the world.

SBM Bank (Mauritius) Ltd agrees to adhere to and procures that its employees adhere to these principles as far as possible by taking into consideration the size and complexity of our FX activities and the nature of our engagement in the FX market.

As a responsible Bank having a strong customer-centric approach, SBM ensures it is guided by principles of ethics and professionalism at all times.
